

# Workshop

on Advances in

# Topological Sensitivity Analysis

for Computational Modelling

**Invited Speakers:**  
Samuel Amstutz, France - Carlos Conca, Chile  
Nicolas Van Goethem, Portugal - Sergio Gutierrez, Chile  
Jaroslav Haslinger, Czech Republic - Michael Hintermüller, Germany  
Alexander Khludnev, Russia - Antoine Laurain, Austria  
Günter Leugering, Germany - Tomasz Lewinski, Poland  
Andrzej Myslinski, Poland - Antoni Zochowski, Poland

**Organizing Committee:**  
Chairman:  
Pedro Leite da Silva Dias, LNCC, Brasil  
Members:  
Jan Sokolowski, IECN, France  
Antonio André Novotny, LNCC, Brasil  
Eduardo A. de Souza Neto, Swansea University, UK

LNCCMCT, Petrópolis  
Rio de Janeiro - Brazil

## August 2-6, 2010

## Short Courses July 19-30, 2010

**Recent Advances on Topological Asymptotic Analysis**  
Jan Sokolowski, IECN, Nancy, France

**An Introduction to the Topological Asymptotic Analysis**  
Antonio André Novotny, LNCC, Petrópolis, Brasil
